

Attrition rate	Program Admission Criteria	Student selection criteria if number of qualified students exceeds available slots
40.0000	1) complete college application for admission; submit HS transcripts; complete ASSET or COMPASS placement with minimum scores or have SAT scores of 500 for both verbal and math or ACT scores of 19 in reading, math and English, or college transfer of equivalent courses with a minimum grade of C or better, or complete developmental classes resulting in placement into ENG 111, MAT 080 and college-level reading; submit evidence of college or HS chemistry, biology and algebra with a grade of C or better.	Point system - NET score + work experience points + points for grades earned in Anatomy & Physiology / Microbiology + points for HS GPA, GED or AHSD score + points for completing related courses required in the nursing program + points of county of residence in college service area. Top scores are ranked.
45.4545	We have an open door policy. She/he must have placement testing, completion of remedial courses, PSB scores. We take the top PSB scores and interview those individuals. From the interview, we select 30: 25 enter, 5 alternates.	Those candidates who score the highest on the interview instrument.
50.0000	In addition to the requirements for General Admission the following will be required of all persons applying for admission to the Nursing program: Complete the Computerized Placement Test (CPT) with scores meeting the minimums required in Reading Comprehension (80), Sentence Skills (86), Math (65), and Algebra (41). Send high school or GED transcripts. Submit a reference form and a handwritten statement giving your reasons for wanting to enter the nursing program.	Ranking system - reference Allied Health Admission Coordinator - nursing does have input in this process.
52.9412	1) MAT 60, MAT 70 within 3 years, RED 090, high school diploma 2) earn points for related courses	Ranked by point earned. Best qualified (most points) accepted first in declining order.
64.2857	Open door policy, however, all allied health programs at the college have additional eligibility requirements. For PNE: secure minimum score on COMPASS exam or show evidence of a 500 score for both verbal and math on SAT to waive test, and successful completion of the Nurse Entrance Test.	First come, first served who meet eligibility. Date eligibility is met is primary route of determining which student enters the PNE program.
64.7059	Students have to complete prerequisites (CHEM. ALG, BIO), must have 2.0 GPA. Are selected by grade points and must attend an information session. Top 35 students are selected.	Ranked by grade point.
67.9245	First come first served when all published admission criteria have been met. Criteria: CPT reading - 80 or ACT 18 or SAT verbal 450 or completion of developmental reading requirements. CPT English 86 or ACT 18 or SAT verbal 450 or completion of developmental English requirements. CPT arithmetic 57 or ACT 18 or SAT math 450 or completion of developmental arithmetic requirements. Cumulative and semester GPA of at least 2.5 on last semester of coursework completed in HS or college within past 5 years.	Eligibility date of when admission criteria met with first come first served.
75.0000	Meet score minimum on the College Placement Test (CPT) or complete the general education classes required by the nursing program. Attend mandatory information session. Provide proof of CPR certification. Complete the Nurse Entrance Exam.	Students are ranked on their NET scores. 20 with the highest score get in.
